New York, Ontario and Western Railway (the "O&W") by Robert J. Tomaine; (5) an illustrated history of Dorflinger glass and glassmaking in northeastern Pennsylvania by Kurt A. Reed.

Also scheduled by the committee during Pioneer Days are seminars on railroads and the early schools of Carbondale. In addition, two films will be shown: (1) the D&H Canal; (2) "What Is a Museum?," produced by the Pennsylvania Historical and Museum Commission. Plans are also being formulated by members of the three theatre groups in Carbondale and the Committee to Restore Carbondale City Hall for street theatre performances in Carbondale during Pioneer Days. The performances by the West Side Players will be coordinated by Ralph Perry and Ann Marie Scarpino.

The Committee to Restore Carbondale City Hall, which earlier this year had the tower clock of Carbondale City Hall repaired, is presently soliciting bids for the repair of the south roof on the two-story wing and the tower of City Hall. The next meeting of the committee will be on Saturday morning, June 26, at 10 A.M. at City Hall. The public is invited to attend.
